### FDP ON CHANGING DYNAMICS IN MANAGEMENT EDUCATION

Change is the most dynamic and inevitable aspect of life. It is the only stable thing in the world. And, with the advent of globalization, it has become the only life line to exist in this competitive era. And keeping this view in sight, Dr. Ritu Arora and Ms. Ashima Tandon of FDP cell of DAVIM organized an FDP, on 23rd April 2016, on Changing Dynamics in Management Education, where the resource persons, Mr. Praveen Arora and Mr. R. K. Arya, endorsed the Change or Die. This is the mantra of the day in the corporate world and to some extent in our personal lives also. The participants – teachers and staff were made to understand the need and the willingness to change and develop positive attitude towards change, as, change initially faces resistance. The Head of the Institute Dr. Neelam Gulati, shared her experiences with faculty and inspired all to bring positive changes in their behavior so that they could become perfect role model for the students.

### “Take care of your Temple , it’s the only place you have to live.”

In association with Sarvodya Hospital, Sector 8, Faridabad, DAVIM student welfare department organized a health camp cum Talk Show, on 26th April 2016 in the institute's premises. The students were made to understand the benefits of keeping fit and healthy and also to take this campaign further in their own way. Dr. Pankaj Dawar, HOD, Neuro & Spine Surgery, Sarvodya Hospital & Research Centre delivered a talk on healthy living.
