

that provides opportunity to leave all negativity in the Holika fire. This festival helps people to remove grudges and avoid further perpetuation of the cycle of anger. Everyone was proud to take the legacy of DAVIM ahead by giving the society the same warmth that they have got. Altogether it was a wonderful experience.

### **BEST OUT OF WASTE ACTIVITY**

“Don't Put The Future In Trash-Recycle”.

It's essential for the students to learn the importance of Best out of Waste. Who knows one day India will take the place of Sweden, who recycles the complete waste and now have even started importing waste from other countries for recycling it in their refineries to make fuel. The Centre For Environment, organized a Best out of Waste activity which was conducted by Mr. Ravi Rani, on 13<sup>th</sup> December 2016, in which he made the students realize how different objects of utility can be made from the things we consider as waste. The students were eager to learn more and wished that such knowledgeable activities be conducted more frequently to make everyone be awakened to the need of recycling.

## **NEW INITIATIVES**

### **ENGLISH LANGUAGE LAB**

The language laboratory is very useful for assessing students' speech. It provides students with the technical tools to get the best samples of the pronunciation of a word. And thus, to give an enriched learning experience to the students, we, at DAV Institute of Management believe in providing the best of education with the state of art infrastructure and thus we felt the need to begin the English Language Lab in our institute. And for this, DAVIM, collaborated with Words Worth, New Delhi. Mr. Jaswinder Singh, representative of Words Worth uploaded the content of the English lab software in the college system which included English worksheets and the assessment criteria there of. Also, the life skills part of the software provides the students with content in various soft-skills and judge their understanding by various questionnaires. All faculty members were given the training on its usability to make them friendly with the software. The faculty members have been using the worksheets of the Lab to enrich their knowledge in the nuances of the English Language. The classes of the English Lab have been made the part of the daily lectures to help the students improve the four major skills, Listening, Reading, Writing and Speaking.

## **SCREENCAST VIDEOS**

Screencast Videos are created by the faculty members of DAVIM for the courses that are being taught in the ongoing semester. These videos are lecture videos covering important topics of the syllabus. The students are given the benefit of understanding the topics of their choice in the IT enabled fully equipped lab.

### **IIT BOMBAY SPOKEN TUTORIALS**

IIT Bombay Spoken Tutorials are the video lectures created by IIT Bombay for IT Subjects. In order to enhance IT skills of the students and further certify their efforts, we at DAVIM have registered for these.

These tutorials are scheduled for the students along with the regular semester plan within our premises. Both the screen cast videos and IIT Bombay Spoken Tutorials projects are executed by a common team of Mr. Sameer Chopra, Ms. Nishu Bareja and Mr. Rajesh Bhatia under the leadership of Ms. Kulvinder Kumar.

## **PROFESSIONAL COURSE DEPARTMENT**

### **CAREER AWARENESS PROGRAMME-ICSI**

DAV Institute of Management, Faridabad along with the Institute of Company Secretaries of India organized a career awareness programme on 4<sup>th</sup> November, 2016. The programme was conceptualized by CS Juhi Kohli, faculty at DAVIM. This event was organized for BBA and BBA- CAM 1<sup>st</sup> Year students, to create awareness about the various professional courses available for commerce students. On this occasion CS Vinit Sikka addressed the students and spoke about various opportunities available in the field of
